

Hear through noise without effort

w.e.f 1st March 2023

ReSound OMNIA

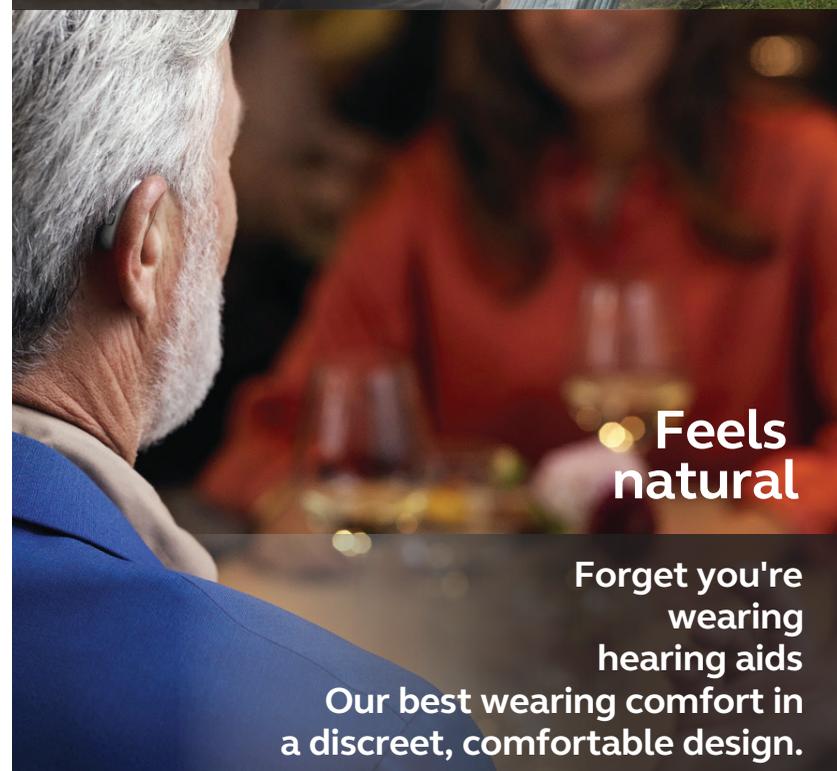

Now Full Family of Organic Hearing

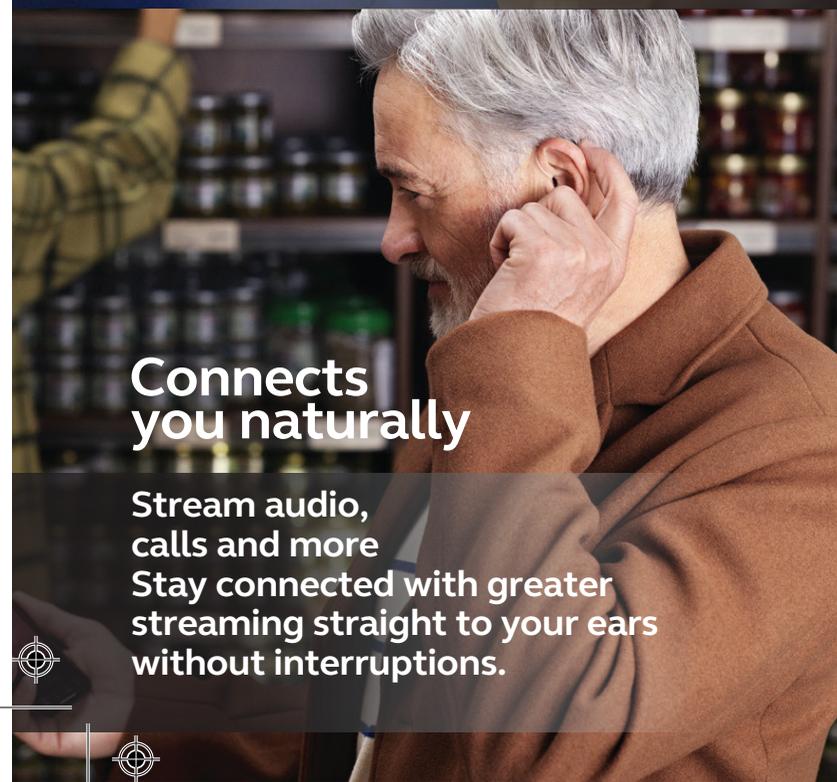

Sounds natural

Hear in noise and all around
Now you can hear all the details you couldn't before, especially in noisy situations.

Feels natural

Forget you're wearing hearing aids
Our best wearing comfort in a discreet, comfortable design.

Connects you naturally

Stream audio, calls and more
Stay connected with greater streaming straight to your ears without interruptions.

ReSound OMNIA

Introducing world's smallest rechargeable RIE

(MiniRIE)

ReSound Premium RIE Hearing Aids

iSolate nanotech - All Weather Proof Hearing Aids

(Made for iPhone + Made for Android with ASHA + ReSound Assist Live)

How to match ReSound hearing aids with the correct charger

Each charger type is offered with different inserts – known as the charging form factor (CFF) – which relate to a specific ReSound hearing aid collection or style.

The CFF is indicated with a number and is shown inside the charger and on the charger packaging.

Number inside charger

Easier onboarding and better wearing experience with “Check my fit”

70% of users wore their hearing aids better with ‘Check My Fit’ improving sound experience by 11dB
